

AMET One Day Conference

University of Manchester

Ellen Wilkinson Building, M13 P9L

14th October 2017

Research into Practice: A tribute to the work of Malcolm Swan

A one day conference relevant to everyone interested in developing teachers' pedagogical knowledge in mathematics through Initial and Continuous Teacher Education.

- 0930-1000 *Registration, refreshments and welcome*
- 1000-1115 Opening presentation by Professor Geoffrey Wake, Nottingham University
- Researching problem solving with Practitioners**
- 1115-1130 *Break and refreshments*
- 1130-1230 Parallel Workshops
- Seminar 1A: Translating research into practice through collaborative mathematics ITE experiences. Sally Bamber
 Seminar 1B: Same approaches, different stages: taking Malcolm Swan's pedagogic principles into primary schools: Jenni Back
- 1230-1315 *Lunch*
- 1315-1345 **AMET AGM 2017 Chaired by Ros Hyde**
- 1345-1445 Open Discussion: How does research in Mathematics Education impact on your own practice and the schools and student teachers that you work with? Please be ready to share stories and examples of how the work of Malcolm Swan has influenced your work with student teachers.
- 1445-1500 *Break and refreshments*
- 1500-1615 Closing Presentation by Alison Clarke-Wilson
- Transforming mathematics classrooms through research-informed practice: Catalysts and inhibitors**
- 1615 Evaluation and close
- 16.30-17.30 For those new to ITE we hope that you will stay to network and discuss ideas with experienced AMET Members

Conference fee including lunch and refreshments:

£80 for members (those paying membership by standing order)

£100 for non-members (includes £20 annual membership to AMET).

To register, please complete a registration form and send to Rosa Archer: rosa.archer@manchester.ac.uk.

If no registration form attached please contact Rosa or visit our website: <https://www.ametonline.org/>
